JUDGMENT

The standing counsel for TRIDA has filed a statement under the instructions of the Second respondent Secretary that the area of land required was only 0.316 cents and the petitioner had already relinquished that land free of cost for the purpose for which it was proposed. It is also stated that the Government had accepted the petitioner's property. In paragraph 3 of the statement it was averred that no further extent of land in excess of what the petitioner had already surrendered is required for the second respondent and it has no intention to acquire more property from the petitioner. That statement is recorded. In view of the statement made by the second respondent no further orders are necessary in this Writ Petition. So the Writ Petition is only to be closed.

In the result, Writ Petition is closed recording the statement filed by the second respondent.
